

VoteConservativeSanDiego.com

Working to UNITE the conservative vote and elect more conservatives to office in San Diego County.

We compiled as much information as possible to make these recommendations that are based upon our understanding of the Constitutional Republic envisioned by its framers, our shared biblical values and our knowledge of the candidates. We reviewed candidates' endorsements and voting records (if available) and interviewed candidates when possible. And when no candidate holds all of the above values or we are unable to confirm their positions, we pick the candidate we believe to be the best of the available choices and hope will do the greater good in office.

Will all these candidates make perfect decisions every time? No. They're human beings with great intentions. But we would like to give these candidates, some of whom are very conservative and others who are generally conservative, the chance to prove themselves as conservative leaders.

And so we encourage you to UNITE with us and VOTE for the candidates listed in this slate.
